

A NEW AMERICAN-ANGLO ALLIANCE

We are delighted to announce the strategic transatlantic partnership between USA based Unique Visions International and Avalon Design in the UK

The benefits to you of this unique partnership include:

- access to a diverse transatlantic talent pool
- cross fertilization of ideas from complimentary industries
- challenging the new normal, seeking fresh thinking to deliver unique user experiences
- innovation based on global ideas and best industry practice
- service any requirements either side of the Atlantic
- 100 years of combined industry experience
- International network, French and German accessible
- From concept development to on-site installation

Unique Visions International, LLC is a Florida based theme park, themed entertainment and entertainment design group, founded by Bill Gorgensen over thirty years ago.

Avalon Design, established twenty years ago by Patrick Casey, is an architectural and commercial interior design practice located in Birmingham West Midlands, UK
